

Skatepark Report

We have been unable to apply to AmeyCespa for our grant as we didn't receive a reply from South Cambs Planning in time.

Peter spoke to Julie Ayre last Wednesday and she said to go ahead for full planning permission as it would go through because there is no alternative location for the skatepark.

Janet and I looked at various skateparks in the area and the one at Cherry Hinton looks like the best design. It has grassed raised banking which helps to blend the skatepark into the surroundings. This is the one we envisage for the project.

My husband Francis came along with us and took photos of the various skateparks and we have them here for anyone who wishes to view them.

Skateparks visited:

Nuns Way, Arbury

Orchard Park

Cherry Hinton

Fulbourn

Brampton

Haddenham
