Dear Madam

Street Naming – Development off Bannold Road, Waterbeach

The layout of the development is such that a new road name will be required. I am writing to ask whether you wish to suggest a name for the road marked on the attached plan that I can agree with the necessary Authorities.

The Emergency Services have requested that the following guidelines be considered when selecting the appropriate name.

1. There should be no like names in different parts of the village. Any such like names should be adjacent to each other.
2. There should be no like names in a village which sound phonetically similar.
3. If names of people are proposed they must be related to the particular area. It is policy that only names of deceased persons are used. In order to avoid confusion with emergency services only surname will be used.
4. No consideration should be given to any street name which contains the name of another Cambridgeshire or neighbouring village.

A list of the street naming conventions can be found in the Address Management Policy on the following link www.scambs.gov.uk/snn.

Enclosed is a plan of the development. I would be grateful if you could forward in writing your proposed name with the reason for the suggested name.

Yours faithfully

Diane Duncan
Address Management Officer
