

WATERBEACH PARISH COUNCIL

GRANT APPLICATION FORM

Please read the attached guidelines before completing this form. Please use black ink and block capitals.
You may continue on a blank sheet if necessary, but please put the name of your organisation on any additional sheets.

A. Your organisation

Please give us the following information about your organisation:

Name of Organisation: ...Cambridgeshire Search and Rescue (CamSAR)

Address:.....Cambridgeshire Search and Rescue , c/o March Fire Station, Wisbech Road, March PE15 8ED

Description of your organisation's activities. Please list your aims and objectives.

Cambridgeshire Search and Rescue (CamSAR) is the Lowland Rescue unit, covering our county, often also assisting sister teams in the wider region. We are a specialist team, called upon by Police in the search for vulnerable missing people: a child, an elderly person suffering from dementia or even someone who is considering taking their own life. In each case an emergency response is vital. Our First Responders, Search Technicians, Team Leaders, Search Planners, Support Team, Operations Managers and Search Managers turn out at all hours of the day and night to respond to the missing person's emergency. Available 24 hours a day, 7 days a week, 365 days a year, the team is made up 100% of dedicated fully trained volunteers and receives no government funding, relying entirely upon grants, fund raising and individual donations – and team members' own pockets – to continue to provide this service.

How long has your organisation been in existence? Since 2006

B. Contact Details

Name of contact: Jono Harwood

Position: Chair

Address for correspondence (if different from above): As above

Second contact : Barry Carter, Secretary

Email: b.carter@camsar.org (E-mail is preferred means of communication)

C. Your Application a) Brief description of project or scheme for which grant is intended.

The organisation costs about £15-20,000 a year to continue to run remain available every day and night of the year and as we receive no government funding to do this, we rely heavily on public donations. Any money donated would go directly towards supporting the continued running of the team, specifically towards the purchase of specialist equipment. The total cost of the project to purchase equipment is currently around £4,000. This would enable us to buy items such as Garmin GPS hand held units, high quality printers and LED torches to allow our search teams to work more efficiently and safely, and batteries and defibrillator pads for the automatic external defibrillators which our vehicles carry. As an organisation we are very proud that we are a completely voluntary body and that no person receives any financial gain from the organisation and the charity is run by active members of the team.

b) Who will benefit from the proposed project or scheme and how many of these are Cam residents? The benefit exists for any missing person or their families across Cambridgeshire; on average we respond to 50 calls annually. The work we do is not planned and therefore its location cannot be pinpointed. Our members come from all across Cambridgeshire and our training entails travel to all parts of our beautiful county in the same way as any response to an emergency for a missing person does. It is impossible to say how many residents of a particular area may benefit from the funding we are requesting as we do not know where or how often we will be asked to attend in order to help in the search for a missing vulnerable person.

c) Total cost of project or scheme: £4,000 approximately. d) How much are you applying for? £300

Please give an itemised breakdown of the expenditure for which this money which is being applied for. Please include evidence (e.g.. suppliers' estimates or price lists) of the likely cost of all items of expenditure where possible. See attached document

Please see attached. ①

d) Have you made any grant application to any other body for grant aid for this project? Yes. If yes please give details: Please see attached document. ②

If you have received any other sources of funding in the past year, not specified above, please give details:

Other amounts have been raised through various fund raising activities.

D. Previous Applications

Has your organisation previously applied for a grant from this Parish Council? If YES, please give details of the project and the date and amount of grant received if any. Was the project as described completed?

Yes. We applied to Waterbeach Parish Council in January 2017 and January 2018 and received £300 from both applications. Our equipment and training needs are continually evolving and ongoing; thus much the same as the request for a donation this year, the project could not be described as fully complete. We have, however, been able to purchase specific pieces of equipment with donations received thus far in this financial year

E. Additional Information

Are there any other comments you wish to make to support this application? Please give this information below, or attach a separate sheet:

Chair: Jonathan Harwood

Treasure: Sebastian Palmer

Secretary: Barry Carter

F. Your Financial Situation

All applications must be accompanied by the following financial information: **If you do not supply this information your application will not be considered unless previously agreed in writing by the Council.**

- A copy of your latest approved statement of income and expenditure or other financial report which indicates your financial position, or ③
- Photocopy of bank statements covering the past six months ④

Signed:

Date

09.11.19.

Please return to Shelley Mason, Parish Clerk, Waterbeach Parish Council, The Old Pavilion, Cambridge Road, Waterbeach, Cambridge, CB25 9NJ

If you have any queries, please contact the Parish Clerk on 01223 441338 or email council@waterbeach.org.uk
