Dear Shelly,

I am writing to you with regards to the Willow tree on the grass triangle O/s Cambridge Motor Boat Club, unfortunately it has been recommended by our Tree Officer that this tree is to be removed due to a few issues with the tree and obviously there was not a long ago a car fire near to this tree which has also not helped.

I have now received a quote from our contractors to top and fell the tree and grind out the stump below ground level, and also for them to replace a tree.

The reason I am writing to the PC with regards to this, is would you like the tree replaced at the same location or would you like it planted somewhere else within the village? As soon as I have received a response back from you I will raise a works order for this to be undertaken.

Kind regards

**Nicola Burdon**
