We have not included for the risk of changes in the law which occur after the Quotation Submission Date. Such changes can have a dramatic effect on the costs and on our ability to make progress to complete the works on time. For clarification, law would include a national or state statute, ordinance, decree, regulation (including building or safety regulations) and a by-law of a local or other duly constituted authority or other delegated legislation.

We trust that our offer is acceptable to you and meets your requirements. Please do not hesitate to contact us should you require any further details or clarification of any aspect of our tender. Should you wish to discuss our submission further then we would advise our willingness to attend any meeting which you may wish to call at your convenience.

Yours sincerely,
Brian Crabb
