

Subject: Clothing Bank

Hi Barbara,

I hope you're well and staying safe in these very strange times.

I'm sure you've probably heard by now, but Waterbeach Toddler Playgroup closed for the final time in December, and we started as Herons' Preschool in our new building on the barracks site in the old short arms range (next to the museum).

It has all gone well, and we're settling in ok. It's been very strange moving and opening a new building in a lockdown, but we've finally got our new home!

Now that we've moved, we need to sort out the clothing bank that is still outside the portacabin on Burgess Road.

Having spoken with Rebecca at U&C, they're not in a position to allow us to move the clothing bank to our new building. While this is disappointing, we understand their reasoning behind this. This is also a fundraising avenue that we on average get around £300 per year from.

I was wondering if there were any other locations in the village where we could possibly move it to? Possibly near the Tillage Hall? It is used by a wide variety of people within the village and it would be a shame to see this recycling service disappear.

Would this be something the Parish Council could help with a consider?

I look forward to hearing from you.

Take care and stay safe,

Wayne Badcock
