Good Morning,

I am pleased to inform you that we are now accepting Local Highway Improvement (LHI) applications for the 2022/23 financial year.

The deadline for submitting an LHI application is midnight on **Thursday 30th September**, following which you will be contacted by an officer to progress your submission. They will initially work with you to ensure that your project scope and budget are accurate and achievable. Your bid will then be presented to the LHI Member Panel for scoring and prioritisation.

Please ensure you have read through the supporting LHI guidance available online before submitting your application as some of the requirements in the added value section have changed from last year.
