

Waterbeach Parish Council

Clerk's Report – October 2021

As I step into this new role, I would like to take this opportunity to firstly thank the previous Clerk for a wonderful job, and for her many years of service to the Council, I know she will be greatly missed by all. I certainly have some big shoes to fill!

Secondly, I would like to thank all the Councillors and office and grounds staff for their kind support as I step into this new position. I look forward to many new and challenging adventures, and I know that with your continued support it will be a great experience. I look forward to working with you to continue to make Waterbeach a village we love and are proud to be part of.

As summer draws to an end, and the leaves start to turn, we feel like works should start slowing down, but under the radar, I can assure you there is a lot going on. We are undertaking various projects and have arranged a schedule of these works which are all taking place over the next year.

The new basket swing has been re-installed in the play area, and further works will be scheduled soon, this includes works to the Chittering Play area, so watch this space!

Another exciting project is coming to completion shortly and will see the addition of two table tennis tables on the recreation ground. We hope to see you all having a go and enjoying the new facilities.

I have to say thank you to the public members who continuously help out with keeping the bowls ground looking impeccable, your hard work is not only noticed, but greatly appreciated!

And in celebration - The Queen's Green Canopy is a tree planting initiative created to mark the Queen's Platinum Jubilee in 2022. Waterbeach Parish Council are proud to be part of this initiative and will be planting seven new trees in aid of this event. Further suggestions from Councillors to celebrate this event is welcomed.

Belinda Westwood
Clerk and Proper Officer
