## Tillage Hall Trustees Meeting

### a) Recent Incidents:

- Internal key box in hall taken - nothing of great value lost, just inconvenient - CCTV may have shown what happened
- Main door glass smashed by two Youth Club members
- External sockets vandalised - awaiting more details from Robert
- White transit van stuck under barrier in dark (may simply have been that they couldn't see the black barrier in the dark)
- Stones thrown by Youth Club member at Hall, member of public and his car

### b) Stones:

- To request that the Council could remove stones that are at the base of the wall all around the Tillage Hall and the car park and the adjacent building? They are providing too much temptation to some of the Youth Club members.

### c) Barrier:

- Regarding the transit van getting stuck under the barrier - To discuss and agree whether the PC has a duty of care to the community to ensure the visibility of the barrier after dark.

### d) Rubbish:

- To note that the rubble behind the tillage hall which is considered a fire hazard will be prioritised as urgent with the groundsmen.
