SECTION 106 FUNDING AVAILABLE

- The groundsman will provide a list of equipment and include a cost analysis for each item. This list will be taken to Council and the REC Users Group would then like to recommend to Council that an amount be allocated to servicing of or purchasing of grounds equipment. The initial figure is suggested at £10 000.00 per year, which will be revisited after the cost analysis. Action Robert

- The Supernova, in the children's play area has become a health and safety risk and has been condemned.
