

GREATER CAMBRIDGE PARTNERSHIP

We would like to invite you to an online stakeholder briefing on 03 September 2020 on Waterbeach to Cambridge at 18.00. The briefing will also be open to the public.

As you will be aware we have recently finished a period of online engagement about Waterbeach to Cambridge and we would like to brief stakeholders on the feedback we have received so far.

This will also mean that you will hear more about the project and the next steps before it goes to before the Executive Board in October, who will consider which options to take forward to formal consultation later this year, when we will again be seeking your views.

In addition to hearing about the feedback we have received so far and our future timetable we will also be summarising community feedback from this briefing and for reporting to the next meeting of the Greater Cambridge Partnership Joint Assembly on the 10 September, where this scheme will be discussed.

Waterbeach to Cambridge is one of four high quality public transport projects we are developing to deliver a sustainable transport network, enhance quality of life by relieving congestion and improving air quality, and help support the Greater Cambridge economy.

Due to ongoing restrictions on public gatherings this briefing will be online only via Zoom. The joining details are below and you will need to register in advance to be able to join the meeting:

https://zoom.us/webinar/register/WN_4T8WQWukTM2YoDqjdTcY2Q

We hope you are able to join us.
