

INFORMATION DROP IN SESSION

Amey is proposing changes to the landfill site it operates at Waterbeach Waste Management Park, including extending the number of years we will use the site for landfill.

Before we submit a planning application, we want to give you an opportunity to find out more information and ask any questions you may have.

A public drop in session will be held at the Waste Management Park on Ely Road, Waterbeach on **Monday 13 July** between **2pm and 7pm**.

You don't need to make an appointment, it's open to everyone – just come down and one of our team will be on hand to tell you more and answer your queries.
