20/49 FOOTBALL FUN FACTORY SESSIONS
It was **AGREED t**o grant a request from the Football Fun Factory to use the Recreation Ground (and pavilion toilets) between August 3-7th and August 24-28 for holiday sessions, subject to a maximum of 40 children per session plus appropriate number of coaches. The fee would be comparable to the rate normally charged at its usual venue at the barracks (currently not suitable as largely indoors).

The following additions to the risk assessment should also be added:
The area of the rec being used to be coned off
Paper towels etc to be bagged up, sealed and quarantined.

Proposed Cllr Bull Seconded: Cllr Bavester Unanimous

The Clerk was reminded to update the groundsman's risk assessment for Covid-19 working as he would not take lunchbreaks in the pavilion during the holiday sessions. A deep clean of the areas used would also need to be organised at the end of each weeks' session

Cllr Seamarks joined the meeting

20/50 WATERBEACH COMMUNITY LIBRARY REOPENING
i) to review risk assessment

Councillors support the risk assessment provided by the library asking only that it be modified so that a reference to bleach was amended to spray bottles of surface cleanser.
Proposed: Cllr J Williamson Seconded: Cllr B Williams Unanimous

iii) to receive a request to support an approach seeking day-time access over the school holidays.

This had been overtaken by events as the school had already responded positively to the request.

The meeting closed at 6.55pm
