Dear Mr Sale

SOUTH CAMBRIDGESHIRE DISTRICT COUNCIL
Application for Planning Permission

Proposal: Replacement Bowls pavilion following demolition of existing
Site address: Recreation Ground Cambridge Road Waterbeach Cambridge
Your client: Shelly Mason Waterbeach Parish Council

Further in the above matter, please find enclosed our formal decision notice relating to your client's application for planning permission. Please be sure to remind your client that the scheme should be carried out in line with the approved plans. This will avoid the need for any enforcement action.

Making changes to the approved plans

In the event that you wish to change your proposal, please contact your case officer who will advise you on whether the change can be dealt with as a "non-material" or "material" amendment. In either case you will have to complete a form and provide fresh drawings.

Important information regarding conditions

If you have been granted Planning Permission / Listed Building Consent / Advertisement Consent you may wish to get started immediately, however it is always important to carefully read the decision notice in full before any work begins.

The majority of planning decisions have conditions attached. Some conditions request further information that requires approval by the Local Planning Authority before any development takes place ('pre-commencement'). All conditions are set out on the decision notice.

Under Section 7 of the Planning (Listed Buildings and Conservation Areas) Act 1990, it is a criminal offence to carry out unauthorised works to a listed building. Under Section 9 of the Act, a person shall be guilty of an offence should they fail to comply with any condition attached to the consent.

How do I discharge the conditions

Please note that the process takes up to eight weeks from the date the Local Planning Authority receives a valid application. Therefore it is important to plan ahead and allow plenty of time before work is due to commence.

You need to fill in a form to submit your request to discharge conditions, and accompany the relevant details/samples. You can download the necessary form by using the following link:
<https://www.greatercambridgeplanning.org>

Alternatively you can submit an application to discharge the conditions through the Government's Planning Portal website: <https://www.planningportal.co.uk/applications>. Please note, The Planning Portal refers to it as 'Approval of details reserved by a condition'.

When the required information has been submitted you will receive a reference and an acknowledgement letter. Once the Local Planning Authority is satisfied that the requirements of the condition have been met you will receive a formal notification that the conditions have been discharged.

Appeals against conditions

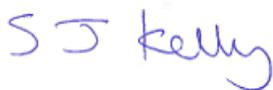

You should also be aware that the applicant has the right to appeal against any conditions attached to this Notice, please see <https://www.gov.uk/planning-inspectorate> for details. If you are concerned about any condition you should contact the case officer in the first instance for advice.

We value your feedback

We value your feedback and would like to know your views about the planning process you experienced, including the service you received from us. Your views are important to us and they will help us improve the experience we can offer you. The link below takes you to a survey which will take a couple of minutes to complete.

Yours sincerely

SJ Kelly
Joint Director For Planning & Economic Development For
Cambridge & South Cambridgeshire

Notice of Planning Permission
Subject to conditions

Reference S/0009/20/FL
Date of Decision 23 September 2020

Mr Chris Sale
Rider Sale Associates
The Old Coach House
56 High Street
Harston
Cambridge
CB22 7PZ

The Council hereby GRANTS Planning Permission for:

Replacement Bowls pavilion following demolition of existing

at

Recreation Ground Cambridge Road Waterbeach Cambridge

In accordance with your application received on 28 February 2020 and the plans, drawings and documents which form part of the application subject to the conditions set out below.

Conditions

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: In accordance with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

- 2 The development hereby permitted shall be carried out in accordance with the approved plans as listed on this decision notice.

Reason: In the interests of good planning, for the avoidance of doubt and to facilitate any future application to the Local Planning Authority under Section 73 of the Town and Country Planning Act 1990.

- 3 Prior to commencement of the development, detailed plans demonstrating that suitable surface water and foul water drainage provision can be achieved on site shall be submitted to and approved in writing by the Local Planning Authority., The plans submitted should include: a) The existing drainage arrangements of the site including discharge location and rate where appropriate; b) The proposed discharge location in accordance with the drainage hierarchy and reasonable evidence this can be achieved; and c) A site plan identifying indicative locations for sustainable drainage features. d) Evidence to support b) which must include infiltration/percolation testing or written confirmation from the appropriate water authority/third party that a discharge to its drainage system is acceptable.

e) Details of foul discharge location or treatment plant and discharge location.
(Reason: To ensure flood risk management and for the benefit of amenity and biodiversity in accordance with policies CC/7 and CC/8 of the South Cambridgeshire Local Plan, 2018.)

- 4 No demolition or construction works shall commence on site until a traffic management plan has been submitted to and agreed in writing by the Local Planning Authority. The principle areas of concern should address:
 - (i) Movements and control of muck away lorries (all loading and unloading shall be undertaken off the adopted highway)
 - (ii) Contractor parking, for both phases all such parking shall be within the curtilage of the site and not on the street.
 - (iii) Movements and control of all deliveries (all loading and unloading shall be undertaken off the adopted public highway).
 - (iv) Control of dust, mud and debris, in relationship to the functioning of the adopted public highway.Development shall be carried out in accordance with the approved details. (Reason - In the interest of highway safety in accordance with Policy HQ/1 of the South Cambridgeshire Local Plan 2018.)
- 5 No development shall take place until full details of soft landscape works have been submitted to and approved in writing by the Local Planning Authority. These details shall include indications of all existing trees and hedgerows on the land and details of any to be retained, together with measures for their protection in the course of development. The details shall also include specification of all proposed trees, hedges and shrub planting, which shall include details of species, density and size of stock. (Reason - To ensure the development is satisfactorily assimilated into the area and enhances biodiversity in accordance with Policies HQ/1 and NH/4 of the South Cambridgeshire Local Plan 2018).
- 6 Prior to the commencement of development above slab level a scheme of biodiversity enhancement shall be supplied to the local planning authority for its written approval. The approved scheme shall be fully implemented within an agreed timescale unless otherwise agreed in writing. (Reason - To enhance ecological interests in accordance with Policies S/3, HQ/1 and NH/4 of the South Cambridgeshire Local Plan 2018).
- 7 All ecological measures and/or works shall be carried out in accordance with the details contained in the Preliminary Bat Roost Assessment (Applied Ecology, May 2020) as already submitted with the planning application and agreed in principle with the local planning authority prior to determination. (Reason - To enhance ecological interests in accordance with Policies S/3, HQ/1 and NH/4 of the South Cambridgeshire Local Plan 2018.)
- 8 All soft landscape works shall be carried out in accordance with the approved details. The works shall be carried out prior to the occupation of any part of the development or in accordance with a programme agreed in writing with the Local Planning Authority. If within a period of five years from the date of the planting, or replacement planting, any tree or plant is removed, uprooted or destroyed or dies, another tree or plant of the same species and size as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation. (Reason - To ensure the development is satisfactorily assimilated into the area and enhances biodiversity in accordance with Policies HQ/1 and NE/6 of the South Cambridgeshire Local Plan 2018).
- 9 During the period of demolition and construction, no power operated machinery shall be operated on the site before 0800 hours and after 1800 hours on weekdays or before 0800 hours and after 1300 hours on Saturdays, nor at any time on Sundays and Bank Holidays, unless otherwise previously agreed in writing with the Local Planning Authority.
(Reason - To minimise noise disturbance for adjoining residents in accordance with Policy CC/6 of the South Cambridgeshire Local Plan 2018).
- 10 There shall be no burning of any waste or other materials on the site, without prior consent from the environmental health department. (Reason: To ensure nuisance is not caused to local residents.)

Informatives

- 1 The effect that the granting of a planning permission does not constitute a permission or licence to a developer to carry out any works within, or disturbance of, or interference with, the Public Highway, and that a separate permission must be sought from the Highway Authority for such works.
- 2 The applicant should take all relevant precautions to minimise the potential for disturbance to neighbouring residents in terms of noise and dust during the construction phases of development. This should include the use of water suppression for any stone or brick cutting and advising neighbours in advance of any particularly noisy works. The granting of this planning permission does not indemnify against statutory nuisance action being taken should substantiated noise or dust complaints be received. For further information please contact the Environmental Health Service.
- 3 The applicant is advised that they should driven pile foundations be proposed, then before works commence, a statement of the method for construction of these foundations shall be submitted and agreed by the District Environmental Health Officer so that noise and vibration can be controlled.
- 4 Before the existing property is demolished, a Demolition Notice will be required from the Building Control section of the council's planning department establishing the way in which the property will be dismantled, including any asbestos present, the removal of waste, minimisation of dust, capping of drains and establishing hours of working operation. This should be brought to the attention of the applicant to ensure the protection of the residential environment of the area.
- 5 The granting of permission and or any permitted development rights for any Air Source Heat Pump (ASHP) does not indemnify any action that may be required under the Environmental Protection Act 1990 for statutory noise nuisance. Should substantiated noise complaints be received in the future regarding the operation and running of an air source heat pump and it is considered a statutory noise nuisance at neighbouring premises a noise abatement notice will be served. It is likely that noise insulation/attenuation measures such as an acoustic enclosure and/or barrier would need to be installed to the unit in order to reduce noise emissions to an acceptable level. To avoid noise complaints it is recommended that operating sound from the ASHP does not increase the existing background noise levels by more than 3dB (BS 4142 Rating Level - to effectively match the existing background noise level) at the boundary of the development site and should be free from tonal or other noticeable acoustic features.

In addition, equipment such as air source heat pumps utilising fans and compressors are liable to emit more noise as the units suffer from natural aging, wear and tear. It is therefore important that the equipment is maintained/serviced satisfactory and any defects remedied to ensure that the noise levels do not increase over time.

Plans and drawings

This decision notice relates to the following drawings:

Reference/Document/Drawing Title	Date Received
737-7 Rev C	28.02.2020
737-8	28.02.2020
737-5-B	28.02.2020
737-4-C	28.02.2020
Bat Survey Report	02.04.2020
Design and Access Statement	28.02.2020

It is important the development is carried out fully in accordance with these plans. If you are an agent, please ensure that your client has a copy of them and that they are also passed to the contractor carrying out the development. A copy of the approved plan(s) is/are kept on the planning application file.

Date the decision was made: 23 September 2020

Working with the applicant

The LPA positively encourages pre-application discussions. Details of this advice service can be found at <https://www.greatercambridgeplanning.org>. If a proposed development requires revisions to make it acceptable the LPA will provide an opinion as to how this might be achieved. The LPA will work with the applicant to advise on what information is necessary for the submission of an application and what additional information might help to minimise the need for planning conditions. When an application is acceptable, but requires further details, conditions will be used to make a development acceptable. Joint Listed Building and Planning decisions will be issued together. Where applications are refused clear reasons for refusal will identify why a development is unacceptable and will help the applicant to determine whether and how the proposal might be revised to make it acceptable.

In relation to this application, it was considered and the process managed in accordance with paragraph 38 of the National Planning Policy Framework.

General Notes

This decision notice does not convey any approval or consent which may be required under any enactment, bye-law, order or regulation other than Section 57 of the Town and Country Planning Act 1990.

Your attention is specifically drawn to the requirements of the Equality Act 2010 and the Equality Act (Disability) regulations 2010, the British Standards Institution BS8300:2009 "Design of Buildings and their approaches to meet the needs of disabled people – Code of Practice" and to Approved Document 'M' "Access to and use of buildings", volumes 1 and 2 of the Building Regulations 2010 and to Approved Document 'B' "Fire Safety", volumes 1 and 2 of the Building Regulations 2010, in request of guidance on means of escape for disabled people. The development should comply with these requirements as applicable

It is an offence under Section 171 of the Highways Act 1980 to temporarily deposit building materials, rubbish or other things on the public highway or make a temporary excavation on it without the written consent of the Highway Authority. The Highway Authority may give its consent subject to such conditions as it thinks fit.

The applicant is reminded that under the Wildlife and Countryside Act 1981(Section 1) (as amended) it is an offence to take, damage or destroy the nest of any wild bird while that nest is in use or being built. Trees and scrub are likely to contain nesting birds between 1 March and 31 August. Trees within the application should be assumed to contain nesting birds between the above dates unless a survey has shown it is absolutely certain that nesting birds are not present.

Appeals to the Secretary of State

The applicant has a right to appeal to the Secretary of State against any conditions of this planning permission, under Section 78 of the Town & Country Planning Act 1990. The appeal must be made on a form which may be obtained from:

The Planning Inspectorate,
Temple Quay House, 2 The Square, Temple Quay, Bristol. BS1 6PN
Telephone 0303 444 5000 or visit
<https://www.gov.uk/planning-inspectorate>

If an enforcement notice is or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: **28 days** of the date of service of the enforcement notice, **OR** within **6 months** (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not

normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Purchase Notices

If the Local Planning Authority or the Secretary of State grants permission subject to conditions the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances the owner may serve a purchase notice on the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Before starting work

It is important that all conditions, particularly pre-commencement conditions, are fully complied with, and where appropriate, discharged prior to the implementation of the development. Failure to discharge such conditions may invalidate the planning permission granted. The development must be carried out fully in accordance with the requirements of any details approved by condition.

Street Naming and Numbering

In order to obtain an official postal address, any new buildings should be formally registered with South Cambridgeshire District Council. Unregistered addresses cannot be passed to Royal Mail for allocation of postcodes.

Applicants can find additional information, a scale of charges and an application form at www.scambs.gov.uk/snn. Alternatively, applicants can contact the Address Management Team: call 08450 450 500 or email address.management@scambs.gov.uk.

Please note new addresses cannot be assigned by the Council until the footings of any new buildings are in place.

Third Party Rights to challenge a planning decision

Currently there are no third party rights of appeal through the planning system against a decision of a Local Planning Authority. Therefore, if you have concerns about a planning application and permission is granted, you cannot appeal that decision.

Any challenge under current legislation would have to be made outside the planning system through a process called Judicial Review.

A 'claim for judicial review' includes a claim to review the lawfulness of a decision, action or failure to act in relation to the exercise of a public function, in this case, a planning decision. The court's permission to proceed is required in a claim for Judicial Review. A claim for Judicial Review is dealt with by the Administrative Court and if leave to judicially review a planning decision is granted, the Judicial Review will be decided by a judge at the High Court.

An application to Judicial Review a decision must be made within **6 weeks** of the decision about which you have a grievance being made. For further information on judicial review and the contact details for the Administrative Courts, please go to <http://www.justice.gov.uk/>
