

CYCLE PARKNG IN WATERBEACH

Follow up to last month's discussion Waterbeach Cycling Campaign have now provided quotes for 3 different designs have been received as follows:

| Location | Cost of Materials and Installation |
|---------------------------------------------------------------------------|-------------------------------------------|
| Location 1 – Outside JB's with stainless steel toast rack | £1,343 + vat |
| With Galvanised Toast Rack | £594 +vat |
| With stainless steel Sheffield stands x4 | £675 +vat |
| Location 2 – Outside Onestop (with concrete pad) | £515 +vat |
| Location 3 – Opposite Post Office x2 Sheffield stands (with concrete pad) | £515 +vat |
| Location 4 – Outside Pharmacy | |
| Location – Opposite Sun Pub | |
| <u>Total Cost for each item</u> | |
| With toast rack Location 1 | £2,373 +vat |
| With galvanised steel toastrack | £1,624 +vat |
| With Sheffield stands | £1,705 +vat |

Amount of grant received by Waterbeach Cycling Campaign from SCDC zero carbon fund: £1,200

Amount of top-up agreed by WPC (resolution 20/87): £800.

Decisions now required:

Which design

(if toast rack) – if top up funding sum can be increased to cover the quote.
